

Here's to the new Isthmian League champs!

HERE'S a scene to warm the hearts of Wycombe's thousands of football enthusiasts, as Wycombe Wanderers players and officials drink to their triumph in the Isthmian League championship—the first time the club have won the title since 1957.

It was a somewhat jaded side who lost their last game 3-1 against Ilford at Loakes Park on Saturday, but it was only an academic exercise, since they had already made sure of the championship.

Those visible in the picture, acknowledging the acclaim of the fans, are, left to right, Ted Powell, Geoff Anthony, Larry Pritchard, Johnny Hutchinson, John Maskell, manager Brian Lee, Keith Searle, John Delaney, Iain Maclean, assistant manager Johnny Reardon and Charlie Gale.
